CHAINSAW SAFETY & IN-WOODS RESCUE **Two Different Training Opportunities!**

Emergency Responders, Road Crews, Disaster Teams, and everyone operating a chainsaw are encouraged to join us. Each workshop is free and Lunch will be provided. Our instructor is Dana Hinkley, from Berlin, New Hampshire. Dana has done numerous safety workshops in Arkansas and across the nation since 2001. Both programs have been approved by the Arkansas Fire Academy for 8 hours of Certified Training credit.

Chainsaw Safety Class

8:30 am Registration

9:00 am Safely Operating a Chain Saw – Presentation covering all safety and handling aspects of operating a chain saw, along with the vital importance of wearing PPE (Personal Protective Equipment)

12:00 – 1:00 Lunch

1:00-2:30 pm Tree Felling Demonstration - Techniques for safely felling and handling difficult and storm damaged trees.

In-Woods Rescue for First Responders Class

8:30 am Registration

9:00 am Communications, Legalities, Incident Command, Types of Injuries, Mechanism of Injury, Safety, Scene Control

12:00 – 1:00 Lunch
